Police Sergeant's quarters at Bangalore City.

With reference to your endorsement No.561/A dated the 29th June 1927 I have the honour to inform you that the delay in furnishing particulars for the recovery of rent earlier is regretted.

As regards the rent being more than 10% of the salary of the Sergeant Instructor, the question of effecting a reduction in the estimated cost of quarters was raised by the Mysore Government, before communicating their approval to the estimate for the above work, and it was pointed out to them that it was not possible to provide the required accommodation if the estimate was reduced.

vide S.49 The rent charged is calculated at 8.8% on the capital cost of the building constructed for the Police Department in accordance with the orders of the Government of India and is not based on 10% salary limit the occupants of quarters.

The plans and estimate for this work were already approved by the District Superintendent of Police, Civil and Military Station, Bangalore City in his No.2015 of 19th April 1923.

In the circumstances, I shall be glad if you will kindly communicate your approval to the payment of the rent of Rs. 84-1-10 per mensem for the above quarters from 13th October 1925 at an early date.
